

Hand-drive Screws: Drywall & Exterior

EZ Fit – Not Just Another Brand of Screws

Check out these reasons to stock and sell EZ Fit hand-drive screws

There are a number of options available to you when it comes to offering your customers hand-drive screws for their drywall and exterior deck jobs. The unique design features of EZ Fit screws enables you to offer something extra to your customers – at competitive prices.

EZ Fit Screws Deliver

- High-quality Fasteners
- Wide Range – Popular Sizes
- Attractive, Informative Packaging (Plastic Tubs)
- Convenient Pack Sizes – 1-lb./5-lb./25-lb.

Drywall

- Textured Head – Better adherence of mud/spackle
- Free bit included

Exterior Deck

- **NEW!** T-25 Plus (Star) drive – 12 points of contact eliminates stripping
- Standard T-25 (Star) bits will work but only have 6 points
- Type 17 point – eliminates pre-drilling/splitting
- “Nibbed” head – no splintering/smooth surface
- 1500 hour salt-spray tested
- Free bit
